

Welcome back to school for the 2018 School Year. I hope all of our families had a safe and relaxing break. An extra special welcome to those people who join our school community for the first time this year. Congratulations to the students, staff and parents for making such an impressive start to the 2018 school year. I am confident that the year ahead will be full of exciting opportunities and challenges for all of us.

Attendance and Punctuality

Regular attendance at school is fundamental to your child's learning. Consistent attendance and participation are essential for your child's social and academic learning. As parents or legal guardians of an enrolled child, you are responsible under the School Education Act 1999 to ensure the attendance of your child at school every day. It is important to assist your child's achievement and learning by making regular school attendance a priority in your child's life. The Department of Education's Student Attendance policy requires parents/guardians to provide an acceptable explanation to the school for any absence of their children. Parents/carers are reminded that regular attendance at school and punctuality in the mornings, are two vital factors impacting on their child/ren's learning and achievement. If child/ren are late to school in the morning they must come into the office, sign in and take a late note to their classroom teacher.

Parking

The main gated school car park **is not** for general parking for dropping off and picking up students. It can become quite congested at times with visitors to the school and dental therapy patients. Please **DO NOT** park in this area.

School Uniforms

I have been very impressed to see the students wearing their uniforms proudly. I would like to thank parents in their continued support of ensuring students are in uniform.

Newsletters and Assemblies

Please note that newsletters will come home on Thursdays of odd weeks this term, and our assemblies are on even weeks commencing (Friday 9th February).
