

ONLINE LUNCH ORDERING ONLY

The only way you can order lunch for your child is online? It's a great way of ensuring your child gets the lunch you planned, and eliminates the need for cash at school (or at the shops on the way to school!). You can create an account online at www.munchmonitor.com and add credit from a Visa or MasterCard.

All orders must be in by 9:00 AM, for that day's lunch.
