

VOLUNTARY CONTRIBUTIONS 2023

Dear Parent/Caregiver,

At Koorana Education Support Centre we are very proud of the educational program that we offer our students, building independence skills so they can contribute as active members of the community. Our parent community is an integral part of this, as we all work together to achieve our common goals for the children.

One change we have made this year is to introduce a change in the contribution rate, \$60 for the first child, \$40 for the second and \$40 for each subsequent child in the family.

We would ask for all families to pay their contribution of \$60 as early in the year as possible. Flexible payment plans are offered for these payments and parents can pay off the amount over the school year as is convenient.

Your support in paying this contribution is appreciated.

SCHEDULE OF CHARGES

The Koorana Education Support Centre Board has approved the following breakdown (Please turn over page) of estimated maximum charges for student's participation in incursions, excursions, in term swimming, etc – by way of Section 100 of the School Education Act. Detail on charges collected in previous years has formed our 2023 charges schedule. Students will only incur costs when they are involved in a particular activity. The amounts indicated on the Schedule represent the maximum charged for all scheduled activities in 2023. As in the past, you will be asked to make payment for each activity as it approaches.

Payments may be made directly into Koorana Education Support Centre's bank account.
